IMPORTANT REMINDERS

- Always have ONLY a Certified Amy's Presence Professional cut your wig and your own growing hair. If your wig is not cut per proper procedures, it will not perform as promised.
- Always replenish wig's moisture.
- Always spray wig with Protection Plus before brushing and after styling.
- A Cyberhair brush is recommended for friction-free results.
- Return for a routine visit every 4 weeks for professional service.
- Never rub, twist, or squeeze your wig. Always PAT dry with Friction-Free Absorbent Towel.
- Saturate hair with water and conditioner before entering a chlorinated pool. Cleanse and condition immediately after.
- Use a satinique pillowcase.
- For best results, always remember to follow proper hair care procedures and use the prescribed hair care products and styling tools.

How To Properly
Care For Your
Amy's Presence Wig

145 Talcottville Road
Route 85
Vernon, CT 06066

Phone 860~875~9716
FAX 860~872~9652
www.head-masters.com
gene@head-masters.com

Step 1

Cleaning Your Amy's Presence Wig

Pour a small amount of *Presence Cleanse Shampoo* into a basin of warm water (104° F). Submerge wig and gently swish for 3-5 minutes. Rinse in warm water (104° F).

Proceed to Step 2.

Step 2

Conditioning Your Amy's Presence Wig

Dilute a small amount of *Amy's Presence Deep Conditioning Treatment* in a basin of warm water (104° F). Submerge wig and gently swish for 3-5 minutes in conditioning treatment. Rinse in warm water (104° F).

Step 3 Drying

Wrap wig in a *Friction-Free Absorbent Towel* and gently "PAT". DO NOT RUB, SQUEEZE OR TWIST!

Step 4

First Protection

Before brushing apply *Amy's Presence Protection Plus* to damp wig. Hold bottle 8 inches from hair and apply a fine mist.

Step 5 Brushing

Shake wig and place on wig stand. Use a Cyberhair brush to eliminate static and friction. Always give your wig a spray of *Amy's Presence Protection Plus* before and after brushing.

Step 6 Styling

- ◊ A blow dryer is not necessary because of the style memory built into your Cyberhair Wig.
- ◊ Apply *Amy's Presence Styling Gel* to wet hair to help maintain moisture.
- ◊ Use *Amy's Presence Control Spray*. Hold 8-12 inches from hair to use as a styling product, or 15-20 inches from hair for a holding spray. CAUTION: Contents are flammable.

Step 7

Rejuvenation

Your Amy's Presence Wig needs to have a professional rejuvenation service by a Certified Cyberhair Technician every four weeks to aid in the replenishment of moisture.
